Tough trip

Looks like separate tickets stitched together. You may have to collect and re-check your bags between flights — leave lots of extra time, and your luggage is not protected if a flight is late.

Three stops is a long, tiring day of airports.

Over 30 hours door to door.

A preview of the flight helper we're building for you.

Comfort scores flag long layovers, too many stops, and "self-transfer" trips where you'd have to re-check your bags.
